

Tournaments to be held at ALA '09

What would a gaming room be without tournaments. As usual, we will hold an array of tournaments to test your mettle against other competitors, with a variety of cash and prizes awarded to the best of the best. The tournaments are as follows:

Friday:

Marvel vs. Capcom 1 - Entry fee: \$2 Now before everyone goes complaining, I chose MVC1 because it is much, MUCH more balanced than MVC2, and my tournaments are geared towards being balanced for EVERYONE, from the pro, to the beginner/novice gamer.

Prizes:

1st Place: 5.0 MP Digital Camera w/2 GB memory card + cash prize

2nd place: Chun-Li Resin Figure + cash prize

3rd place: Megaman X Armor figure, Ninendo DS Skin, Classic Controller Candy Box, cash prize

Mario Kart 64 - Entry fee: \$2

Bringing the good old days of Mario Kart gaming to fruition, I expect our Mario Kart 64 tournament to bring gamers new and old to test their driving skills.

Prizes:

1st place: Creative Labs Zen V Plus 4 GB Multimedia Player, Wii Remote Candy box, cash prize

2nd Place: Koopa Troopa plushie, Giant Starman Nintendo Stylus Plushie, cash prize

3rd Place: Mario Kart Track Collectible, Mushroom Tin Candy box, cash prize

Saturday:

Super Smash Bros. Brawl - Entry fee: \$3

I don't think this needs any further explanation...

Prizes:

1st Place: Creative Labs Vado Pocket Camcorder w/extra batter and desktop charger for immediate enjoyment + cash prize

2nd place: Nintendo Monopoly Set, Yoshi egg plushie, cash prize

3rd place: Giant 1-UP Mushroom Nintendo Stylus plushie, Yoshi Plushie, cash prize

Halo 3 - Entry fee: \$3

This will be an FFA tournament in which I expect to see a *lot* of bodies flying around. This will be held on rules geared to balance the tournament for players of all skill levels.

1st Place: 3.0 MP Digital Camcorder, 2 GB Memory card for instant enjoyment, cash prize

2nd place: Halo Interactive Strategy Board Game + Cash prize

3rd Place: Creative Labs Zen V Plus 2GB Multimedia player + Cash prize

4th Place (For those who don't *quite* make it): Half-Life 2 Head Crab hat

King of Fighter XI - Entry fee: \$2

I'm really hoping we can rally a bigger crowd to this tournament. Last year's lack of turn out gave me the impression that people were afraid to enter. Well, there's nothing to be afraid of if NO ONE ENTERS.

So give it a shot, no matter how experienced you are at the KOF series!

- 1st Place: Zen Muvo 2GB MP3 player + Cash prize
- 2nd Place: Ikari Warriors NES Game cartridge, complete w/box and instructions, in excellent, unplayed condition, cash prize
- 3rd Place: King of Fighters 10th Anniversary Cell phone strap, cash prize

Sunday

Street Fighter 2: Entry fee - \$2

I'm not quite sure what system I want to put this on yet. Seeing as how it's Old School Day on Sunday, it'd make sense to have it on an SNES, but more to come on that.

- 1st Place: Zen Muvo 2GB MP3 player + Cash prize
- 2nd place: MicroMan DX Mini-Sakura/Chun-Li Figures + cash prize
- 3rd Place: Classic Street Fighter 2 mini-figure box set originally released in 1994 + cash prize

Champions of Valhalla - Entry fee: None

This tournament requires that you have entered 4 of the 6 previous tournaments stated. Scores will be tallied and the top 16 scores will qualify to enter this tournament. At the least, it will cost you \$8 in tournament play to qualify, at the most, it will cost \$10. Most tournaments charge this amount for a single tournament. I design it this way so more people can participate, have fun, and have the chance to win.

The Champions of Valhalla tournament will be on a RANDOM game with a certain objective. No information will be released about the tournament until the time it begins. This is a winner-take-all tournament. 16 will compete, but only 1 will have the title of "Champion", naturally.

1st Place Prize: Moogle Plushie + Vintage 1981 Coleco Pacman Mini-Table Top Game

Any questions? Please leave them here. Thank you.
